Client Testimonial

“It was such an amazing experience. When I joined, I actually didn't know why I was joining, I just knew I had to be there! When I started, my money stuff was not good! I didn't wanna look at my finances, I was still in scarcity and not knowing my value and my worth on how much I could charge - and ALL of that has shifted.

I feel REALLY good with my relationship with money now! Everyone I speak to now has been like 'HOW were you able to make so many changes so fast?' And I know it was because I was in this container with Libby!"

"From the get-go, Libby could not only see the vision for my Healing Birth work,, she genuinely seemed as excited as I was for the potential the business has. Working with her honestly felt as though I had someone alongside me who was as invested in the success of my business as I was.

She was my ultimate cheerleader, celebrating my successes along the way, and a gentle guide who was able to hold me to account in a direct but nurturing way. Thank you Libby for your wonderful work, your generous support, and your loving guidance. You are Magic!"
